Customer Reference – Tree Visual Concepts

I am writing this letter to recommend the services of **Tree Visual Concepts** to you. During the past 3 years, our company has been working with James on numerous different kind of school projects. The company offers high quality services. We can say that all of the parents have always been satisfied by their work.

One of the projects that we worked on pointed out the concern for quality and attention to detail that company has. For the end of year graduation ceremony that we worked together with **Tree Visual Concepts**, the company conducted interviews to the faculty, captured valuable moments on camera, and edited the school video flawlessly. In our opinion, it has been the knowledge and creativity of the company that resulted in such impressive results.

I would like to ask you to consider **Tree Visual Concepts** for all of your digital and media needs. I strongly recommend the services of the company and I am looking forward to working with the company again for future projects.

Sincerely,

EDITH VALLEBONA
